Africa Refugees Status, 2017 (Cont'd)

Dr. Nancy Baron

Nancy BARON, PhD received her Doctorate in Education at the University of Massachusetts, U.S.A. with a concentration in Family Therapy and Counseling Psychology.

Dr. Baron is the founder and director of the Psycho-Social Services and Training Institute in Cairo (PSTIC), Egypt (An affiliate of Terre des hommes), a community based refugee project for MHPSS, health and protection. Since 2009, PSTIC trains and facilitates refugees in Egypt to assist their communities. Before founding PSTIC, Nancy worked with for multiple UN agencies, international and local NGOs in conflict-affected countries around the world, providing consultation, assessment, training, program design and development, research and evaluation for community and family focused psychosocial, mental health and peace building initiatives for conflict, post-conflict and disaster affected countries since 1989.

Dr. Baron's work has spanned the globe from Africa: Burundi, Egypt, Ethiopia, Guinea Conakry, Kenya, Liberia, Libya, Sierra Leone, Somalia, South Africa, Sudan, Uganda and Yemen; to Asia: Afghanistan, Bangladesh, Cambodia, Indonesia, Japan and Sri Lanka; and Eastern Europe: Kosovo and Albania; the South Pacific: Solomon Islands; and South America: Colombia; and in the Middle East: Jordan, Lebanon, Israel, the West Bank and Saudi Arabia.

She is a member of the international Inter Agency Standing Committee Psychosocial Reference Group that developed the guidelines for Mental Health and Psychosocial Support in Emergency Settings.

Dr. Muhammad Al-Zawawy

He was graduated from faculty of Oral and Dental Medicine in 2009. Upon graduation, he practiced dentistry till 2013. During this period, he joined Tahrir Doctors; a voluntary work during demonstrations of "25 January Revolution" in 2011.

He also worked as a program coordinator for the Association for Health and Environmental Development (AHED) during the interval of 2013-2015. During the period of 2014-2015, he became a member of Egyptians Against Coal Coalition and worked as a researcher for Egyptian Center for Civil and

Legislative Reform (ECCLR). Then he obtained his Master degree in Public health (health systems policy and management) from the Royal Tropical Institute (KIT) and Free University of Amsterdam in January 2017.

His thesis - along with others - were moved to Bibliotheca Alexandrina to be available through BAIFA (Bibliotheca Alexandrina Information for Africa) for their academic value.

Mr. Omar El-Sabagh

(27 year- old Syrian)

Upon his graduation with a BA (Psychology major) in Syria, Omar worked as a psychosocial worker and specialised in providing psychological assistance to juveniles in Damascus. He was highly active in volunteering for development projects in Syria, such as his experience volunteering for the British Council's Active Citizen Project. During asylum in Egypt, continued his engagement with communities through initiatives such as the EVAD initiative that he co-founded in Bibliotheca Alexandrina that aims to engage young people in social work. Omar has also volunteered for Save the Children Intl and worked with vulnerable Egyptian children in 15 different governorates and he is a currently a Refugee Outreach and a Volunteer coordinator for Souryana CBO in Asafra, Alexandria. Omar is motivated by his passion for helping vulnerable individuals regardless of their nationality or background. Omar is especially interested in working with children of refugees' /asylum seekers' communities and his objective is to contribute to building mentally healthy generation of Syrian youth who will help in reconstructing Syria.
