

Three Demotic Ostraca from Medinet Habu

Sara Nabil

This study concerns publishing three unpublished Demotic Ostraca from Medinet Habu Kept in the Egyptian Museum in Cairo. Nothing is known about their date but from some interior evidences from the texts, they could be dated to the Roman period. Texts nrs. 1 and 3 are tax receipts deal with the chief of the necropolis tax and *3ntwg* tax. As for text nr. 2 it is broken from the upper part but it's probably represents also a tax receipt.
